EXCITEBIKE®

You're up against the finest riders in the world!

Advance to the final round and go home Excitebike champion.

Rev up your engine and find the fastest path through the track.

REVENGE AT THE MOTOCROSS!

Top cyclists from all over the world have gathered to test their skill and daring in the Excitebike World Championship—the first ever Motocross Designer Race. Each rider must not only overcome the incredible dangers of Motocross racing, he must design his winning or losing course. The anticipation in the air is apparent as the riders, with engines fired up, inch up to the starting line.

Game Boy® Advance and e-Reader sold separately.

It's video game software on cards! Plug the e-Reader accessory from Nintendo into a Game Boy® Advance system, scan the cards through the e-Reader and get ready to play! Both are required in order to scan data on e-Reader cards. Many e-Reader card games are available, and more are on the way!

Look for the e-Reader icon on compatible card packs.
